mmm...crab meat

The Central Coast's best youth wrestlers battle **LIVE** on the mat while the spectators feast on fresh crab!

The Meathead Wrestling Club is a non-profit organization committed to promoting participation in the ancient, combative sport of wrestling. The Club is dedicated to helping Central Coast wrestlers develop into quality individuals while achieving excellence in their sport. MWC provides programs for kids and adults with instruction from top coaches and elite competitors. No one is ever turned away from one of our programs because of financial need.

To succeed in wrestling one must learn self-control, confidence and self-reliance while mastering a complex skill set and achieving unsurpassed physical condition.

Supporting Meathead Wrestling Club means helping kids learn to deal with discomfort in the pursuit of a future objective, fore-going immediate gratification for long term reward and satisfaction and that means changing kid's lives.
